May 31, 2022 – San Jose, California: RFMW, a specialized distributor of RF and microwave products, today announced the acquisition of Spantech Technology Solutions S.L.U. Spantech represents industry-leading manufacturers of RF, microwave, millimeter-wave components, and satellite communication equipment in Spain and Portugal. The agreement fortifies RFMW's international presence and enhances their prominent position as a global and technically competent sales and marketing organization.

"We are excited about this agreement with RFMW," comments Michael Chadwick, Director of Spantech Microwave Technology. "RFMW's products directly align with our focus and customer base. We are confident that RFMW's acquisition of Spantech will provide customers with best-in-class solutions and support. We are particularly excited to become a part of the RFMW Family and we look forward to working with our new global colleagues."

"We appreciate Spantech's closely aligned mission and philosophy with RFMW's," states Mike Carroll, Vice President of Global Sales at RFMW, "Spantech's excellent customer relationships will further enhance RFMW's international footprint and strengthen our line card. We are confident that our customers and suppliers will benefit from the acquisition, and we look forward to working with our new Spanish team."

About Spantech Technology Solutions S.L.U.

Since 1992, Spantech Technology Solutions S.L.U has provided expert-level technical support and logistics management in the RF & MW industry. Spantech represents world-leading manufacturers of RF, microwave, millimeter-wave components, and satellite communication equipment in Spain and Portugal. Spantech's services efficiently, economically, and professionally meet customer needs in the continuously evolving environment of the RF & MW industry.

About RFMW

RFMW is a specialty electronics distribution company focused exclusively on serving customers that require RF and microwave components and semiconductors, as well as component engineering support. The company continues to expand its list of products from selective suppliers with RF/microwave expertise. RFMW deploys a highly experienced, technically skilled team to assist customers with component selection and fulfillment. Acquired by TTI, Inc. in 2018, RFMW joins the [Exponential](#)

[Technology Group](#) (XTG), a collection of electronic component distributors and design engineering firms that collaborate to enable the development of modern technologies. XTG is a subsidiary of TTI Inc.'s Family of Specialists: TTI, Inc., Mouser Electronics, and Sager Electronics.
